ABOUT MERCURY LIVING PRESENCE

Mercury's LIVING PRESENCE recording technique is based on optimum placement of a single microphone, with the performing musicians seated in normal concert arrangement. Thus the control of instrumental balances and dynamic range remains always where it rightfully belongs—in the hands of the performing artist. Because this technique is employed, Mercury LIVING PRESENCE recordings have set a new and unsurpassed standard of excellence for truly fine recorded sound, a sound of such realism and definition that the musical performances comes to life right in your home.

LIVING PRESENCE is an exclusive identification for Mercury Classics—The Ultimate in High Fidelity Sound.
